OLD BUSINESS:

Religious Ed updates:

Totus Tuus will run from June 25 to 29. We will be getting another Seminarian this summer. His name is Mitchell McLaughlin. One of his projects will be helping set up for Totus Tuus.

The Steubenville trip to Colorado will be from June 22-25. There are young people from Tyndall, Tabor, Vermillion and Lake Andes going and the bus is full.

Repairs and Upgrades:

Bids for replacing the furnaces and heat pumps for the FCMC Center were received from Sander's, from Tyndall and Larry's, from Yankton. After some discussion it was decided to put this project on hold for now.

Scott Weber and Dan Varilek gave an update on the Garden area. The Council then went outside with them and they explained how the Garden Area will be. It will be tied in with the handicap ramp. As the funding is now in place for the Garden Area, the project will be turned over to the Contractors. There are drainage issues that need to be taken care of before the project starts.

We then went to the front of the Church. Dave Vellek gave an update on some

landscaping that the KC's, with the help of the Parish, hope to do. They want to replace the aging timbers around the Church.
