### II. OLD BUSINESS:

#### A. Religious Education:

1. Totus Tuus was another success this summer. The numbers were down this year; 30-32 during the day and only 5 in the evening. Father contributed the decline in evening numbers to the fact most of our older students had been on the Stuebenville trip in Colorado and returned the same day Totus Tuus began.
2. Religious Ed program will be looking at possibly finding new events for the high school students to partake in; a more missionary work based learning experience.

#### B. Repairs & Upgrades:

1. North exterior ramp and prayer garden projects are moving forward on track.
2. FCMC furnaces and heat pumps have all been installed and are working well. The fuse box and some wiring may need to be updated/replaced; will be looking into that soon.
3. Seminarian Mitchell McLaughlin has completed his stay with St. Leo's and the summary of his stay has been submitted to the diocese.

### III. NEW BUSINESS:

#### A. Picture Directory & Registration:

1. LifeTouch will be photographing the upcoming photo directory in October. Rick and Deb Baune will be chairing the sittings and Justin and Brittany Rothschadl will be co-chairing with them. At the time parishioners register for their photo they will also be able to update their address and contact information.

**B. Fincances:** Dave Sutera and Jim Kniffen presented the annual report; this was reviewed and signed for submittal.

**C. NonEvent Event:** This event will take place once again in September in lieu of the annual bazaar. There was a great response last year with donations and the letter will be sent out in September.
