We have had a great start to Martha's Kitchen this year. However, the volunteers have found it to be overwhelming to not only be responsible in preparing the food but also in serving the students as they go through the line with Covid-19 precautions. Please let us know if you are interested in volunteering for a Wednesday night to help serve (starting at 6:00pm) and clean up. Martha's

Kitchen has been a great success and a wonderful gift for our students and religious education volunteers. Please consider assisting our MK volunteers and enjoy a home cooked meal and fellowship with our students!

Enjoy the beautiful fall colors! Prayers for a safe and blessed school year and harvest ahead. Any questions please call or text us.
